

United States Postal Service

§ 243.2

(d) *Discontinuance of post offices; historic preservation.* (1) It is the policy of the Postal Service, by virtue of Board of Governors Resolution No. 82-7, to comply with Section 106 of the general provisions of the National Historic Preservation Act, 16 U.S.C. 470, *et seq.*, Executive Order 12072, and Executive Order 13006. Therefore, any facility project that will have an effect on cultural resources will be undertaken in accordance with that policy.

(2) Any action involving the closing or other discontinuance of a post office shall be undertaken only in accordance with 39 U.S.C. 404(b) and 39 CFR 243.1. In the event a facility action is subject to both this section, and either the NHPA or the post office discontinuance requirements, all comment periods and other public participation matters shall be governed by those statutes.

(e) *Site selection.* (1) When the decision is to advertise for sites and existing buildings, and after such sites have been identified, advise local officials in writing of all contending sites, and with respect to all sites not selected, provide an explanation. This notice will advise local officials, and the community, that no decision to select a site will be made for a minimum of 30 days, and that comments or discussions of all sites are solicited. Post a copy of this letter in the lobby of the affected post office for public notice.

(2) Once a specific site is then selected, notify local officials in writing of the selection decision.

(3) Take no final action to acquire or lease the selected site for 30 days following the notification in paragraph (e)(2) of this section.

(f) *Planning, zoning, building codes.* In carrying out customer service facilities projects, it is the policy of the Postal Service to comply with local planning and zoning requirements and building codes consistent with prudent business practices and unique postal requirements. In order to promote a partnership with local officials and assure conformance with local building codes, plans and drawings will be sent to the appropriate building department or other officials for review. Where payment of fees is normally required of private entities, the Postal Service will pay a reasonable fee for the review.

The Postal Service will give local public officials written notice of any timely, written objections or recommendations that it does not plan to adopt or implement.

(g) *Continuing communication.* During construction, whether renovation or new construction, the postmaster should keep local officials and the community informed via letters and news releases. The postmaster and other postal officials should plan, conduct and invite the community and local officials to any “grand opening”, as appropriate.
